Applicant Information

ac.care provides a range of services to our community and we often have roles for volunteers. Currently some of these are; supporting staff in their work with clients, supporting the clients themselves, running a class, administration duties, groundskeeping. lawn mowing.

Application and Assessment Process

Dependent upon the type of role you are seeking, assessment criteria might include:

- good communication skills
- basic computer skills (administrative roles)
- having a genuine interest in the community services sector
- well presented, courteous, polite and helpful

The application and assessment process involves the following:

- complete this form
- return it to administration staff at any ac.care location with a copy of a current resume (if you have one) or, complete the form electronically and email it to careers@accare.org.au
- Staff will contact you to discuss available positions which may be suited to your skills, experience, availability and interests

Thank you for your interest in volunteering with ac.care.

Smoking is not permitted on ac.care worksites.
